Agenda

11:00AM – 2:00PM

“Underwater Coatings”

Robert Tellefsen & Harvey Wills, Pettit Representatives

“Update on USCG Catamaran Rigging Inspections”

Randell Sharpe, AMS®

Coffee, nourishing snacks (cheese, crackers and fruit) and refreshments will be provided.

Location

KKMI is located on the north-east side of San Francisco Bay in Point Richmond's Santa Fe Channel.

This nautical cul-de-sac is a man made waterway. It is ideally sheltered from the bay's wind and fog & is the deepest channel in Northern California.

GPS Position

37° 55.452 N

122° 22.484 W
