Office: 781-544-1344

Email: marinesurvey@comcast.net

MEETING AGENDA

*Special Note: This is going to be outside so please dress appropriately.
This includes thermals or coveralls. Rain gear if necessary.
This will be just like going to work only you get paid with education.*

Friday, March 12

08:30 - 04:30 Destructive testing and analysis of fiberglass laminate. Actual hands on testing via percussion sounding, moisture meter, visual, and Infra Red. Then tear it open to prove findings and verify results. At the same time there will be engines available to tear down to determine the extent of damage and cause of loss. Every Boat and engine/outdrive has a story that only Randy King will be privy to. All of this will be as hands on as possible, and simulate as much of an actual loss and then tear down. **Buffet Lunch included at Cortland's. Regional Meeting to be held at Cortland's for 15 minutes.**

Saturday, March 13

08:00 - 04:00 Duplicate of day one except we will be having the group, who did hulls, do the engines and vice versa. Lunch is on your own this day.

◆ ◆AMS® Exams Will Be Proctored◆ ◆

Thursday, March, 11, 2010 from 12:30 until 4:30
at the Peekskill Motor Inn.

Please contact
Paul F. Logue, AMS®, SAMS® Northeast Regional Director
and SAMS® International Office to schedule your exam.

The Exams must be scheduled no later than February 29, 2010.

ACCOMODATIONS

There is not one large hotel in the immediate vicinity to accommodate all of us so Tarrytown is the next area that could accommodate us.

Doubletree Tarrytown - 914-631-5700

Reservation code is SMS
