AMS® Continuing Education Reporting Form

YEAR _____ AMS® NUMBER _____

NAME: _____

List all **Survey and Marine** related professional educational classes, Regional Meetings, International Meetings and seminars attended for the above calendar year.

Include date, sponsor, topic, location and actual contact hours, plus proof of attendance.

A contact hour is equal to one (1) CE credit and is defined as the actual time that you were involved in the seminar.

Example: One day should be equal to 6 contact hours which is 6 CE credits. You might have been involved in the class for eight hours, but you must discount breaks and lunch. A half day seminar should equal 3 to 4 CE credits, since lunch is not a factor, depending on contact hours. There will always be exceptions, so please attach the agenda of the meeting.

REMEMBER: ONE CONTACT HOUR EQUALS ONE CONTINUING EDUCATION CREDIT.

*Please attach documentation supporting your attendance
(except for SAMS® Meetings where you have signed in)*
