

Good Afternoon Members!

A message from your Northeast Regional Director, Peter Spang, AMS®:

If you are attending, or plan to attend, the USPAP class offered at this year's meeting and are using the option to pay at the door, I ask:

***Should you decide not to attend, please give notice by the first week in March, before the Region spends the money to purchase the course materials, and food offerings. ***

Last minute no-shows will be billed for the cost of the meeting.

Thank you for your understanding.

Peter Spang, AMS®
Northeast Regional Director
