The Sheraton is about a ten-to-twenty-minute ride from the airport, depending on time of day. **There is no free shuttle**, however there is a shuttle from and to the airport that costs less than \$40 per person round trip. You pick the times you want to be taken to the hotel and back to the airport.

You might want to share an Uber or Taxi instead. We will be using the "Whova" app again and that would be a way to connect with other members arriving at the same time.
