

# ***SAVE THE DATE***

**National Association of Marine Surveyors (NAMS), NAMS Global, South Atlantic Region, invites you to the Marine Surveyors & Maritime Professionals One-Day Conference:**

**Date:** Friday, October 24, 2025

**Location:** Crown Plaza, 455 South East 24<sup>th</sup> Street, Fort Lauderdale, Florida 33316

Join fellow **Marine Surveyors, Maritime Professionals, and Industry Leaders** for a one-day event focused on advancing technical expertise, professional standards, and ethical practices in the marine surveying, maritime investigations, and inspections fields.

**Conference Highlights:**

- Advances in marine survey techniques and inspection technology
- Case studies in hull failures, damage assessment, and forensic analysis
- Best practices for technical reporting and expert witness preparation
- Equipment reviews, hands on training

**Continuing Education:**

**CE credits will be awarded** for attending this event

**Ethics credits** will be available as part of the program

**Who Should Attend:**

Marine Surveyors (NAMS, SAMS, NAVtech, IIMS), Maritime Attorneys, Marine Investigators (IAMI), Insurance Adjusters, Vessel Owners, Shipyard Professionals, and Maritime Consultants

**Agenda, speaker lineup, and registration details will follow in the official invitation.**

Mark your calendar — we look forward to welcoming you on **October 24, 2025** for a valuable day of education, networking, and professional development. For questions or to express early interest, contact:
